RERA REG. NO. RAJ/P/2023/2827 <http://www.rera.rajasthan.gov.in>

Disclaimer: This brochure contains information about the group housing project "Trimurty's kachnār" which consists of 46 apartments of 3 BHK and 4 BHK types, with Lower Basement, Upper Basement, Stilt, and 12 Floors. The project has been approved by The Jaipur Nagar Nigam (Greater) in its EC Meeting on 22/9/2022 and all the charges have been paid as per the demand letter dated 13/06/2023 and the receipt no. 9003/18155 dated 18/07/2023. The project is under construction as per the order dated 25/08/2023, which allows the construction of 11 Floors, 2 basement floors, and a stilt floor. The construction of the 12th floor, which will have 4 more apartments, is also approved and paid for and will start after the building plan is released as per the law. The verandah area shown in the floor plan will not be counted as a common area but will be added to the saleable area of the respective unit (as an internal change), and the final carpet area will be communicated to the allottee and payment will be collected accordingly; this internal change is also in line with clause 1.6 of the agreement, any extra fees/charges due to this change will be paid at the time of getting the completion/occupancy certificate of the project.

Please note that the images and designs in this brochure are only for illustration and not for exact representation. The promoter reserves the right to alter, change, add, or delete any specifications mentioned here due to site conditions, construction needs, material unavailability, etc. The direction and dimensions given may differ from the actual details in the brochure.

HOSPITAL ROAD, C-SCHEME, JAIPUR

As the heart behind Trimurty Group, Jaipur holds a special place in our aspirations. Our journey as honest real estate developers is a testament to our love for this city. Through sustainable projects and heartfelt efforts, we aim to not just build structures but contribute to the soulful betterment of Jaipur, weaving dreams into its vibrant fabric

Uday Kant Mishra
CHAIRMAN
TRIMURTY GROUP

kachnār

a symphony of elegance
in the heart of Jaipur

Welcome to Kachnār, where the melody of luxury
meets the rhythm of comfort.

Crafted by Trimurty Builders, these 3 & 4 BHK residential
apartments redefine city living. Nestled on Hospital Road,
C-Scheme, Jaipur, Kachnār is not just a home;
it's an ode to a life well-lived.

Leisure meets Luxury

With endless opportunities

Improving Life Efficiency & Urban Bio-Diversity by Trimurty

Lately, Trimurty Builders has been gaining recognition on national platforms, thanks to its initiatives and commitment to an ecologically sensitive work ethic. Going beyond the commonly cited use of green plants and lawns, Trimurty has introduced a new dimension to enhancing the quality of life.

Taking a leadership role, Trimurty has contributed to improving breeding opportunities for the once-common House Sparrow, now becoming rare in urban landscapes. Residents are actively encouraged to adopt Nest Boxes within their premises, as birds serve as indicators of urban life. The act of gifting Nest Boxes and Feed Boxes has become a part of our conservation culture.

Join us in creating a better environment by picking up a Nest Box from our office and installing it at home to enhance the quality of life. We welcome more citizens to participate in this initiative, aiming to make Jaipur the most environmentally friendly urban landscape.

Another aspect we emphasize is the careful selection of trees, shrubs, and bush species, favoring those that are home-grown or native to minimize water usage and maximize benefits. Residents experience numerous positive outcomes when these considerations are implemented.

“Trimurty’s urban biodiversity conservation initiative in Jaipur brings new advantages to homeowners.”

Gold Standard Green Norms Building

- Building façade, along with underdeck roof insulation and high S.R.I tiles, is designed to prevent direct solar heat gains in the interiors.
- LED-based interior lighting in common areas saves electricity during the day.
- Large windows are planned to maximize daylight inside the apartments.
- Maximizing the outdoor view of natural surroundings provides peace and tranquility.
- Use of STP to recycle water for flushing and landscaping purposes.
- Rainwater harvesting.
- Organic waste treatment to convert it into compost.
- 20 KWA solar energy plant.
- Certified wood will be used in the project.
- 50% of construction material is sourced from local manufacturers, cutting down on long-distance transport to reduce the carbon footprint.
- Conserving natural resources by using recycled materials such as fly ash bricks, AAC Blocks, recycled glass, gypsum plaster, Portland cement, etc.
- Energy Efficient equipments

Crafting Dreams, Building Legacies

Renowned for its commitment to quality construction, exceptional architectural design, and the incorporation of the latest materials and concepts in its projects, Trimurty Colonizers and Builders Pvt. Ltd. embarked on its inaugural venture, Trimurty Apartments, in 1995. This marked a significant milestone in the history of apartment living in Jaipur, clearly reflecting the vision of Mr. Udai Kant Mishra.

Since then, the company has evolved and expanded its presence into townships, hospitality, and education. Some of its noteworthy projects in Jaipur include Trimurty Apartments, Trimurty's Ariana, Trimurty Aurum, Trimurty's Dave Apartments, and Trimurty's Gulmohar. Additionally, the company has ventured into hospitality with Radisson Blu, Kumbhalgarh, The Fern – An Ecotel Hotel and The Wallstreet – A Business Hotel. Geeta Global School is another notable endeavor in the education sector, showcasing the diversified success of Trimurty Colonizers and Builders Pvt. Ltd.
